

BE A SUMMER CAMP BUDDY

The Hamilton Area YMCA Summer Day Camp is **looking for volunteers for our Diverse Abilities Summer Camp**. Being a Buddy is a **great way to give back, make a positive impact** on someone's life, and **experience being a part of something special**.

WHAT IS THE BUDDY PROGRAM?

The Buddy Program is designed to give selected individuals (minimum age of 13 or entering 8th grade) the opportunity to develop leadership skills and to experience the joy of helping others in need. The Buddy Program is for those students who are seriously interested in helping individuals with disabilities. The program consists of group training, weekly buddy wrap-up meetings, and hands on experience, under the supervision of a YMCA staff person, with a small group of campers that have disabilities. Maturity and a sincere desire to work with children are essential. Space is limited to the amount of SKOR Campers registered. Participation in this program does not guarantee being hired as staff in the future. Volunteers can also earn hours for high school and college.

WHAT IS THE ROLE OF THE SKOR BUDDY?

- The SKOR Buddy is not a counselor. They will assist in daily activities with their assigned group and/or camper.
- The SKOR Buddy will assist campers with activities such as: active games, water games, swimming, and crafts.
- The SKOR Buddy will stay with their assigned group for the duration of the day/week unless assigned to another group by the SKOR Camp Director.
- The SKOR Buddy will not be responsible for any assistance needed in the restroom, feeding, and will not ever be alone with a camper(s).
- SKOR Buddies that will be utilizing the bus will serve as bus aides and will sit with, or near, the SKOR campers (space may be limited on the bus).
