PLAY. SWIM. CREATE!

Today, day camp is more vital than ever.

To deliver on the Y's commitment to nurture the potential of every child and teen, day camp programs now more intentionally foster achievement, relationships, and belonging. Achievement, relationships, and belonging are essential dimensions of well-being that the Y can cultivate through day camp:

Discovering skills (Achievement) Campers experience achievement when they try different activities, learn what they like, and discover what they are good at.

Building friendships (Relationships) Campers have the opportunity to form healthy relationships with other children, caring adults, and role models, which helps them feel good about themselves and learn to get along with others.

Finding a place to belong (Belonging) Campers connect through significant camp traditions and rituals that create a sense of belonging, so they feel included, accepted, and part of a community.

With this emphasis on achievement, relationships, and belonging, day camp at the Y is more than a mechanism for keeping kids busy during the summer; it is an opportunity for Y staff to intentionally develop youth.

OUR GOALS:

- **Encourage each child to make friends** and have fun in a safe nurturing environment
- Broaden each child's horizons with new and different experiences ranging from the creative to the physical throughout our **26 different camp options**
- That each child learn to **push beyond their limitations** and learn what they are truly capable of and in so doing, become inspired to reach further
- To **encourage creativity** and imagination in each child
- **Build strength of character, courage, determination, and focus** by encouraging sound decision making skills
- Teach children that their relationships and the **larger community benefit** from their investment, whether it be in a sports camp or in a leadership camp
- Encourage children to **emulate positive role models** in camp staff
- Encourage willingness to accept guidance when challenged with a decision, giving each child the freedom to **feel confident in their choices**
- Enhance **respect for self, others** and the natural world around them
