Dear YMCA Member:

Congratulations! You have made an investment in your health and well-being that will provide priceless results. Your Hamilton Area YMCA membership can help you achieve your health, fitness, recreational, social, family and community goals.

More than just a weight room or swimming pool, the YMCA is home to individuals and families with common interests and objectives. Like you, they seek a place to challenge themselves in spirit, mind and body, a place to feel comfortable, welcome, and most important, a place to belong. For more than 150 years, the YMCA has changed and evolved to meet the needs of our community and members like you.

Character development is an integral part of the YMCA. We are guided by four core values in all we do: caring, honesty, respect and responsibility. In the gym, at camp, at the member service desk, and in everything we do, we strive to develop these values in our members and ourselves.

Our goal is to offer the best service and the most value for your membership, and we welcome your feedback and questions.

Many think of the Y as a place, but it’s actually a movement! And like any community organization, there are many ways that you can get involved. We rely on member volunteers throughout the year to do community outreach, to support community events and to participate in our annual fundraising campaign. We hope you will make the most of your membership – the more you put into the Y, the more you will get out!

The YMCA staff looks forward to your enjoyment and participation for many years to come.

Wishing you a healthy mind, spirit, and body.

- reach their health and wellness goals wherever they live, work, or travel
- connect with the larger Y community in meaningful ways

The goal of Nationwide Membership is to ensure that all nationwide members have access to and can use all the areas and programs of any Y they visit. By making it possible for members to use the Y as often as they like, Nationwide Membership increases the value of Y membership. By promoting access for all, the initiative gives Y members the opportunity to be part of a single Movement and deepens the impact of the Y cause.
