

## **AQUATICS POLICIES**

### **Showering**

Every swimmer must shower before entering the water (NJ State Law 8:26 – 5.4). This means that a full-body shower with a soaked bathing suit is required before entering the pool. Use the locker room showers or the warm water hose on the back wall of the pool deck.

### **Make-up, Unforeseen Closures & Cancellations**

Make-up lessons will be offered for weather, maintenance, and emergency related closings. The Aquatics Department will provide a schedule to parents with dates and times for make-up classes. Credits will not be issued if a participant missed the make-up class.

*Refunds/credits/make ups will not be issued for missed classes. However if a class is cancelled due to weather, maintenance or emergency related closure, we will make every attempt to reschedule. All refunds/credits must be made within the same session.*

### **Age**

Members age 8 and under must be accompanied in the pool by an adult member age 18 or over. All non-swimmers must have a parent in the pool and parents must be within arm's distance of the child at all times. Children who need a flotation device are not allowed in the deep end without a parent.
