

# SWIM EVALUATIONS

## 8th Graders Entering High School

Hamilton Township School District and the Hamilton Area YMCA will be offering swim test evaluations for 8th graders entering High School in the Hamilton Township School District. **This option to test out will satisfy the requirement for the swim standard.**

Students who pass the swim test evaluation will be recorded and provided documentation.

The swim test will consist of two laps and a two minute tread.

Additional skill ability tests will be conducted.

Students who do not meet the standard may enroll in lessons and retest or complete their swim component during the 2021-2022 school year.
