SKOR Special Olympics 2019 - 2020 Team Registration

**Special
Olympics**
New Jersey

The SKOR Special Olympics Team will compete in Special Olympics New Jersey(SONJ) Sports Competitions. The SKOR Special Olympics Team will be led by a volunteer committee comprised of individuals from the community and parents. Participants are required to register through Hamilton Area YMCA. Please follow the registration dates and deadlines. The sports and number of teams that are established will depend on the number of registered participants and volunteer coaches. If the number of participants exceed the number of coaches registered; SKOR Special Olympics Team will work with the Special Olympics Mercer County Program to find a team for those individuals.

Eligibility Requirements: Individuals must meet the SONJ eligibility requirements and have a valid SONJ medical. Please refer to the Special Olympics New Jersey website at sonj.org for a full description of requirements. Athletes/Unified Partners will only be allowed to compete in one sport per season. All athletes **MUST** be able to work on a 5:1 ratio. One-on-one assistance **may not be utilized** during practice and/or competitions. Athletes that advance to state level events will be required to stay overnight with his/her team.
