

Hamilton Area YMCA SKOR - SOAR 2016 – 2017

Special Olympics New Jersey (SONJ) Competition Sports

SKOR-SOAR SONJ Competition Sports provide an opportunity for more competitive play by participating in Special Olympics New Jersey Sports Competitions. We offer SONJ programming for individuals ages 8 and up. All Team Sports (i.e. Basketball, Softball, and Soccer) will meet on a weekly basis for practices and competitions. All individual sports (i.e. Track & Field, Bocce, and Snowshoeing) will meet on a weekly basis for practices and will have a few competitions throughout the season. Practice dates, times, and location will be determined at a later date.

Eligibility Requirements: Individuals with intellectual disabilities must meet the SONJ eligibility requirements and have a valid SONJ medical. Please refer to the Special Olympics New Jersey website at www.sonj.org for a full description of requirements. Athletes will only be allowed to compete in one sport per season. All athletes **MUST** be able to work on a 5:1 ratio. One-on-one assistance cannot be utilized during practice and/or competitions. Athletes that go on to the state final tournament for the summer and winter sports are required to stay overnight with his/her team. Athletes that do not meet the requirements for eligibility will be asked to register for one of the in-house leagues.

Please follow the registration dates and deadlines. Spaces are filled on a first-come, first-serve basis. Some programs may require a tryout to establish eligibility and/or team placement. **Registrations will close the day after the designated deadline.** Membership to the Hamilton Area YMCA is **not** required for individuals that are registering for our Special Olympics Sports.
