

SKOR/SOAR VOLUNTEER REGISTRATION FORM

This form is required to volunteer with any SKOR/SOAR Program.

Thank you for volunteering with the Hamilton Area YMCA SKOR/SOAR Program! Currently we use volunteers for our Programs, sports leagues, Special Olympics Sports and special events. Please see the list below and circle all your interests. You will be e-mailed program information based on your response. As a volunteer, you play a very important role! In addition to assisting the instructors and coaches, you will be interacting with participants and/or athletes and their families. Your conduct is a direct reflection on our entire SKOR/SOAR program.

Therefore, we ask you to follow these guidelines while volunteering: Be respectful and caring to all others. Be responsible with all Hamilton Area YMCA equipment and property. Do not use foul language, alcohol, drugs or tobacco products or engage in any behavior that can be considered inappropriate while volunteering with this or any other Hamilton Area YMCA program. Remember: our people are our most important resource.
