# OUR HOME, YOUR HOME!

The Hamilton Area YMCA Before and After School Program serves working families, providing a safe, fun and supervised environment for children during the before and after school hours. We hire and train role models with a genuine love for children and a vested interest in making them healthier, more confident individuals. For 25 years, we have partnered with the Board of Education and the Hamilton Education Foundation to ensure we nurture each child and enable them to realize their potential.
