

OPERATION LIFT SPIRITS

Nursing homes and rehab facilities are following strict guidelines to keep their residents safe because they fall into the high-risk groups for COVID-19. This isn't easy for many nursing home residents who may feel lonely and isolated.

But you can help lift their spirits by writing them a letter or drawing a picture to send to them!

Here are two local senior care facilities you can send to:

Brookdale Hamilton

Attn: Liz Ricigliani – Operation Lift Spirits
1645 Whitehorse-Mercerville Road
Hamilton, NJ 08619

CareOne at Hamilton

Attn: Cathy Chabala – Operation Lift Spirits
1660 Whitehorse-Hamilton Square Road
Hamilton, NJ 08690

We ask those that are making letters and/or pictures to put the project name on the envelope so the facilities can sort them out of their regular mail.
