

Virtual Veterans Benefits Presentation

Tuesday, June 9th at 2:00 pm

The Landing of Hamilton is hosting a Virtual Presentation with Veteran Care Services. This presentation is a review of the Aid & Attendance Pension. This is a benefit that is available to Veterans, their spouses and widows, to help cover their assisted living and home care expenses. There are a number of different qualifications that we will review. Benefits are available to Veterans who have income, substantial savings and even real estate. If they require aid from another person for their personal functions, they may be eligible. The cost for such care can be overwhelming and there are benefits available which can help you cover these costs.
