MCCARTHY'S CONNECTION

From swim lessons to leadership experience, the **McCarthy Family** has found a home at the Y. Your donation helps us be a home for countless other families.

“Becoming part of the Y was one of the best decisions we’ve made on our parenting journey.”

For the McCarthy’s, the Hamilton Area YMCA is a place where their girls have tried new sports, learned life-saving swim lessons and leadership skills, all while they had peace of mind knowing their kids were safe and embraced by the Y’s family atmosphere.

For Kevin and Melissa, Lauren, Caitlin and Allie’s participation in Y programming meant that they all built relationships. “Lauren’s participation in BASE with Dan showed her that she could be a leader. She began directing a show in BASE and now volunteers for Miracle League and her sisters are following in her footsteps.”

Through programs like swim lessons and BASE (Before & After School Enrichment), Lauren, Caitlin and Allie have found a home at the Y.

When you give to the Hamilton Area YMCA, you give our kids a safe place to learn and grow.

Each year, you offer over 5,000 children a chance to identify and explore their talents, and you help them find positive adult role models who will help them along the way. **You inspire them to realize their fullest potential.**

We know the kids that need us most are often the very children that society has left behind. Give these kids the chance to find a better future.

As a not-for-profit organization, your donations help over 2380 participants in our mission programs:

1000 Active Older Adult Members

112 Membership Financial Assistance

376 Healthy Living Programs (THRIVE, One Step, Parkinson's, Diabetes, ACT!)

450 SKOR/SOAR Participants (Special Needs)

442 Youth Development Financial Assistance (Camp, BASE, Y's Owls, Y Connection)

Annually, we subsidize over \$500,000 in program costs. Without your help, we can't sustain or grow these programs that benefit your neighbors and your community.

Every dollar you give is reinvested right here in our community.
