PROGRAM REGISTRATION FAQs

How do I sign up for programs?

You'll need to create a YMCA account in order to register for most programs. Create your account via our website. Some offerings may not offer online registration. Contact the YMCA to register for these programs.

When can I sign up for programs?

At the Hamilton Area YMCA, registration timelines vary by program to best support participant success. Our Aquatics programs use session-based registration, allowing swimmers to progress together, build skills safely, and celebrate milestones as a group, with clear start and end dates for families to plan around. Our Youth Development programs, however, offer rolling registration, so children can join as space allows throughout the year—making it easier to get started when the time is right.

Do you offer financial assistance?

Yes, the Hamilton Area YMCA offers financial assistance to help ensure our programs and memberships are accessible to everyone. Assistance is available based on household income and family size through a confidential application process, and awards are provided on a sliding scale. Our goal is to remove financial barriers so individuals and families can fully participate in all the Y has to offer.

SUMMER CAMP

At Sawmill, campers entering kindergarten to age 15 can soak up the sunshine, share plenty of smiles, and experience the fun and friendships of summer camp! Whether your child is joining our Day Camp adventures or exploring passions in our Specialty Camps, each day brings new discoveries. With 50 acres of outdoor fun, campers can splash in the pool, try STEM experiments, create art, play sports and games, enjoy recreational activities, and participate in special theme weeks.

Who leads or supervises programs?

Programs are led or supervised by YMCA staff who have completed background checks and undergone extensive child abuse prevention training.
