

WATER SAFETY WEEK

SPONSORED BY
ASSEMBLYWOMAN LISA SWAIN

Learned skills will be celebrated on June 25 during the World's Largest Swim Lesson!

The Y's Safety Around Water program demonstrates to children of all ages and backgrounds that water is a source of fun and safety, not fear. Learning how to stay safe around water is an important life skill that can benefit them for years to come.

With Assembly Woman Lisa Swain's support for our drowning prevention efforts, the Hamilton Area YMCA is thrilled to provide Safety Around Water lessons to our community!

The Hamilton Area YMCA will also offer scholarships through our YMCA of the USA Safety Around Water grant!
